

Hennepin Healthcare Research Institute

**Transfer of Non-Sponsored HHRI Accounts  
of Departing Investigators**

(approved 9/17/01) (12/31/18 - name change only)

In the event of the departure from the Foundation by an investigator, all non-sponsored funds under the previous control of the departing investigator shall remain in the Foundation under the control of the Board of Directors. HHRI administration and departmental staff will work to ensure that all of the departing investigator's outstanding financial obligations for sponsored and non-sponsored activity are met. Funds remaining after all outstanding obligations are met will be returned to the control of the departing investigator's department to provide continued support for research and education initiatives. The Board of Directors will resolve disagreements regarding funds retained by the Foundation.
